

Gentech TRACTORPACK-085

85kVA Gentech Tractor PTO Generator TRACTORPACK-085

85 kVA

OUTPUT

THREE PHASE

420 kg

WEIGHT

OVERVIEW

The TRACTORPACK-085 is an 85 kVA three phase tractor PTO generator. A PTO generator takes its drive from the tractor's power take-off (PTO) shaft rather than from an engine of its own.

TECHNICAL OVERVIEW

Output	85 kVA
Warranty	12 months

DIMENSIONS & WEIGHT

Dimensions (L x W x H)	105 x 45 x 70 cm
Weight	420 kg

STANDARD FEATURES

- An 85 kVA output supports irrigation pumping, grain handling and dairy plant running together, within the rating.
- The PTO drive leaves no generator engine to fuel, start or service.
- Three phase output serves three phase motors on pumps, augers and workshop machinery.
- PTO speed sets the alternator's output frequency, so the tractor needs to hold steady revs while the unit is loaded.
- Covered by a 12 month warranty.
